

VIPER WIPES

Multi-purpose wipes

COMPETITIVE POINTS OF DIFFERENCE

Viper Wipes contain lanolin, aloe and vitamin E for soothing relief on hands covered with nicks and minor cuts. The towels are smooth on one side and textured on the other and there are 80 wipes in each tub. They are also Kosher certified.

APPLICATION

Viper Wipes are strong, solution-soaked towels that will remove the toughest grease and grime including mastics, caulking, adhesives and tree sap.

DIRECTIONS

- 1 Break seal and uncap lid
- 2 Pull a towel from the centre of the roll through the underside of the slotted lid and reseal
- 3 Rub hands with a towel until all soils are removed (the towel absorbs soils and does not transfer to hands)
- 4 Hands will dry as the fluid evaporates and moisturisers soften the skin (rinsing is optional)
- 5 Discard towel as common solid waste

Note: Pre-test all surfaces before use. This product may not be suited for contact with certain materials including plastics. Do not use on any item with a protective surface or coating.

Part number: RT600S

FRIDGEY FACTS

- These towels may not be suitable for contact with some clear plastics and must not be used on instrument panels, computer screens, TV screens, microwaves and other similar equipment. Do not use the towels on any item with a protective surface or coating
