

Technical Data Sheet

Viper Max Strength Condenser Cleaner Venom Pack

Part # RT330V, 1064ml

Overview:

Viper Max Strength Condenser Cleaner is a super-concentrated version of our popular Viper Heavy Duty coil cleaner. Use Viper Max Strength as an alternative to hazardous acid or alkaline cleaners for unbelievable cleaning and degreasing performance. Up to 36L of cleaner can be made from one Venom Pack. Viper Max Strength Condenser Cleaner is non-toxic and NSF Registered for use in food establishments. Safe for all metals, plastic and rubber. OEM approved for use on aluminium micro-channel coils.

Used Where:

HVACR condensers, HVACR evaporators, radiators, intercoolers, EV thermal management heat exchangers, drivetrain hardware and components, engine bays AHU rooms, cold rooms and refrigerated trailers.

Directions:

1. Add the desired amount of pure concentrate into the Viper Foam Gun (RT300S).
2. Fill the container with potable water to the maximum fill level.
3. Spray cleaner to fully saturate the coil with fluid.
4. Wait 5 – 10 minutes to allow foam to liquify and loosen dirt, grease and grime.
5. Non food processing areas: No waiting or rinsing required.
6. Food processing areas: Remove or protect food with packaging materials. Rinse with potable water after use. In food processing areas; Remove or protect all food and packaging materials. Rinse with potable water after use if contact with food or packaging materials is expected.

Chemical Description:

Proprietary aqueous detergent/degreasing compound. Biodegradable and EPA Compliant. This product does not contain any VOCs, HAP, TAC or CA Prop 65 listed ingredients. Please refer to SDS for more information.

Properties:

Viper Max Strength Condenser Cleaner is a non-toxic, non-flammable and non-odorous product. Suitable for use on indoor or outdoor coils, and often used as a multipurpose cleaning and degreasing compound.

Certifications:

NSF A1 registration number 120080 for use in food establishments. Kosher certified by OK Kosher.

Storage and Handling:

Use standard precautionary measures when handling any chemical such as wearing gloves and eye protection. Never mix or combine this product with any other product or ingredient. Keep container closed and store away from heat or direct sunlight. Use in well ventilated areas. Rinse any affected areas with water. Soak up spills with absorbent material and dispose according to Federal or State laws. KEEP OUT OF REACH OF CHILDREN.
