BURGACLIP®
Overview 7

Burgaflex HVAC/R Premium Hose
6090 – Burgaflex MULTICOOL Premium Refrigerant Hose 9
3390 – Burgaflex Veneer Capillary Service Hose 10
3080 – Burgaflex MULTICOOL Premium Refrigerant Hose 10

Female O-Ring
Female O-Ring
54704 – Straight 11
54705 – 45° elbow 11
54706 – 90° elbow 12
54771 – 180° elbow 12

Female O-Ring with service port
54717 – Straight – R134a port 13
54718 – 45° elbow – R134a port – top 13
54719 – 90° elbow – R134a port – top 14
54785 – 90° elbow – R134a port – left side 14
54786 – 45° elbow – R134a port – right side 15
54720 – 90° elbow – R134a port – right side 15
54737 – Straight – R1234yf port 15
54738 – 45° elbow – R1234yf port – top 16
54739 – 90° elbow – R1234yf port – top 16

Female O-Ring with access port
54710 – Straight – 7/16-20 port 16
54711 – 45° elbow – 7/16-20 port – top 17
54712 – 90° elbow – 7/16-20 port – top 17
54645 – 90° elbow – 7/16-20 port – left side 17

Female O-Ring with metric access port
54617 – Straight – M10x1.25 switch access port 17
54618 – 45° elbow – M10x1.25 switch access port – top 18
54619 – 90° elbow – M10x1.25 switch access port – top 18

Female O-Ring with dual metric access ports
54102 – 90° elbow – dual M10x1.25 ports – left side 18
54103 – 90° elbow – dual M10x1.25 ports – right side 18

Table of Contents

Female O-Ring – Block type
54740 – 90° elbow 19

Female O-Ring – Block type with service port
54742 – 90° elbow – R134a port – top 19
54412 – 90° elbow – R134a port – forward 19

Female O-Ring – Block type with access port
54741 – 90° elbow – 7/16-20 port – top 20

Female O-Ring – Block type – Short drop
54421 – 90° elbow 20

Female O-Ring – Block type – Short drop with service port
54420 – 90° elbow – R134a port – top 20
54422 – 90° elbow – R134a port – forward 20

Female O-Ring Hex block
54425 – 90° elbow 21

Female O-Ring Hex block with service port
54426 – 90° elbow – R134a port – top 21
54427 – 90° elbow – R134a port – forward 21

Female O-Ring Hex block with access port
54428 – 90° elbow – 7/16-20 port – top 21

Female O-Ring without nut
54724 – Straight 22
54725 – 45° elbow 22
54726 – 90° elbow 22

Female O-Ring without nut with service port
54729 – 90° elbow – R134a port – top 23

Female O-Ring long pilot without nut
54751 – Straight 23
54752 – 45° elbow 23
54753 – 90° elbow 23

Female O-Ring with MIOR access port
541000 – 90° elbow – right side port 23

Female O-Ring TXV connection incl. TXV plate
54304 – Straight 24
54305 – 45° elbow 24
54306 – 90° elbow 24

Table of Contents

Male O-Ring

Male O-Ring

54213 – Straight 25

54215 – 45° elbow 25

54214 – 90° elbow 26
