Premium Maintenance Solutions

- Coil Cleaners
- Leak Detectors
- Sealants and Lubricants
- Applicators
- Heat Protection
- and much more!

Viper is a **SuperCool™** solution. Visit www.supercool.group to learn more.

COIL CLEANERS

Brite

Premium alkaline coil cleaner
Nothing cleans or foams like Viper Brite. This highly aggressive non-acid, alkaline coil brightener cleans neglected coils and restores performance.

Part No.
RT300G

EVAP+ & Evaporator Venom Pack

Enzyme-based evaporator cleaning solutions

Non-rinsing, non-toxic, pH neutral and biodegradable. The deep cleaning solution for all evaporator assemblies.

Part No.
RT350G

Part No.
RT320V

Heavy Duty, Condenser Venom Pack & Coil Cleaner Aerosol

Professional coil cleaners and degreasers

High performance synthetic detergents that offer powerful degreasing action across a wide range of applications.

Part No.
RT390G

Part No.
RT330V

Part No.
RT375A

GENERAL CLEANERS

All Purpose Cleaner

Advanced cleaner and degreaser
Cuts through everyday grease and grime.

Part No.
RT340V

Germicidal Disinfectant

Hospital-grade disinfectant
Kills germs on hard surfaces.

Part No.
RT8952

Viper Wipes

Heavy-duty cleaning wipes
Fast, waterless cleaning anywhere.

Part No.
RT600S

APPLICATORS

Foam Gun

Self-mixing applicator
Maximises foam coverage.

Part No.
RT300S

Foam Sprayer

2-in-1 foam sprayer
Foam or spray on demand.

Part No.
RT301S

Viper Sniper

Universal aerosol trigger sprayer
Delivers controlled application.

Part No.
RT303S
TWIN PACK

SYSTEM MAINTENANCE

Coil Coating

Corrosion protection coating
Extends coil service life.

Part No.
RT640A

Nickel Safe Ice Machine Cleaner

Nickel-safe scale remover
Removes stubborn scale deposits.

Part No.
RT500G

Pan & Drain Treatment

Triple-action drain treatment
Removes and prevents build-up and blockages.

Part No.
RT800S

HEAT PROTECTION

WetRag® Heat Blocking Putty

Reusable heat-blocking putty
Protects valves and fittings.

Part No.
RT400P

Heat Blocking Gel

Spray-on heat barrier
Versatile and effective viscous gel.

Part No.
RT410S

WetRag® HeatShield

High-performance heat shield
Provides flexible thermal protection.

Part No.
RT420H

SEALANTS AND LUBRICANTS

Nylog Blue Gasket & Thread Sealant

Reduce leaks and comebacks

Nylog is both a lubricant and the industry's only fully compatible and completely miscible sealant. It will not contaminate, clog or cause system restrictions. Use Nylog on all your AC hose & pipe connections to eliminate costly comebacks due to premature joint failures. Nylog never hardens or dries, it remains a viscoelastic refrigeration oil for life.

All Systems
Compatible with all oils and refrigerants

Sealant
Seals flares and threaded connections

Lubricant
Assembly lube for gaskets, O-rings & internal system components

Part No. **RT201B**
SINGLE PACK

Part No. **RT201BP**
TWIN PACK

LEAK DETECTORS

Big Blu Microleak Detectors

The original and best leak detector

The original bubble leak detector solution capable of detecting micro gas leakage as small as 18.5 grams per year. Finds leaks in AC systems, air brake systems, charge air-coolers, inlet manifolds and more. Won't stain paint or leave permanent residue. Trusted by mining, mobile, and stationary HVAC, truck and fleet workshops worldwide.

Certified
NSF and Kosher Certified, biodegradable and eco-friendly

Food Safe
Approved for use in and around food processing areas

Any gas
Tested safe on all gases including oxygen
